

Name of Event	Date	Location	Program	No. Participants	Collaborators
2004					
Lockwood Farm (in conjunction with CTAES) - Community Seed Day	10/7/2004	Hamden, CT		19	PGRU
Peacework Organic Farm - Community Seed Day	10/22/2004	Peacework Farm, Newark, NY		21	PGRU, NOFA-NY
Gorzynski's Omery Farm - Community Seed Day	8/8/2004	Gorzynski's Omery Farm, Cochection Center, NY		15	PGRU
2005					
NOFA - Winter Conference	1/28/2005	Syracuse, NY		75	PGRU, NOFA-NY
NOFA - Winter Conference	1/28/2005	Syracuse, NY	Presentation on accessing GRIN	75	PGRU, NOFA-NY
Master Gardener's Meeting	2/12/2005	Corvallis, OR	Presentation - "New Veggies for the Willamette Valley"	45	OSU, Willamette Valley Master Gardener's
Organic Seed Alliance Field Day	7/27/2005	Bryant Ranch, Shoshone, ID	Presentation - "Critical Issues in Bean Seed Production"	20	OSU, Organic Seed Alliance
Trialing/Breeding Vegetable Varieties	7/27/2005	Quail Hill Farm, Amagansett, NY	Demonstration of pollination techniques for cucurbits, tomatoes, peppers. Farm tour including OSP tomato, pepper, and potato varieties.	18	NOFA-NY
Cornell Freeville Organic Farm Twilight Tour	8/2/2005	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable variety trails and research plots	75	Cornell University Horticulture, Crop and Soil Science and Plant Breeding and Genetics Depts
NOFA - Summer Conference	8/13/2005	Amherst, MA	Seed cleaning demonstration	>4,000 fair	PGRU, NOFA-NY
Trialing/Breeding Vegetable Varieties	8/17/2005	Hearty Roots CSA, Tivoli, NY	Tour of vegetable variety trials, demonstration of cucurbit and tomato pollination.	20	NOFA-NY, Cornell University Dept of Plant Breeding and Genetics.
PGRU - Field Tours	8/23/2005	NYSAES, Geneva, NY		49	PGRU
Vegetable Breeding Institute Field Days	8/29/2005	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable breeding trials for seed company representatives	50	Cornell University Dept of Plant Breeding and Genetics
Twilight Tour at Peacework Organic Farm	8/30/2005	Peacework Farm, Newark, NY	Tour of pepper breeding trials and pepper variety trials	20	Cornell University Dept of Plant Breeding and Genetics, NOFA-NY
Carrot Variety Evaluation	9/1/2005	Starflower Farm, Candor, NY	Tour of replicated carrot variety trial and carrot tasting	22	Cornell Cooperative Extension, NOFA-NY
Harvest Home Organics - Community Seed Day	9/7/2005	Harvest Home Organics, Moravia, NY	Seed cleaning demonstration and tour of experimental lines of red bell peppers.	32	PGRU, Cornell Cooperative Extension, NOFA-NY
Seeds and Breeds Annual Conference	9/12/2005	Ames, IA	Presentation - "Breeding of Horticultural Crops: Highlights of Successful Breeding Programs and Projects in the US" - link to talk http://www.agron.iastate.edu/seedsandbreeds/schedule.html , OSP poster presented	60	Cornell University Dept of Plant Breeding and Genetics, NOFA-NY
Common Ground County Fair	9/24 - 9/25/2005	Unity, ME	Seed cleaning demonstration	>60,000 fair	PGRU

Name of Event	Date	Location	Program	No. Participants	Collaborators
Black Kettle Farm - Community Seed Day	10/5/2005	Black Kettle Farm, NY	Essex, Seed cleaning demonstration	7	PGRU
Valley Laboratory - Community Seed Day	10/20/2005	Windsor, CT	Seed cleaning demonstration	4	PGRU, CT Agricultural Experiment Station
Annual Meeting of the Crop and Soil Science Society of America	11/9/2005	Salt Lake City, UT	Presentation - "The Organic seed partnership: Breeding for and in Organically Managed Systems" link to talk - http://a-c-s.confex.com/crops/2005am/techprogram/P6802.HTM	3,566 conference	Cornell University Dept of Plant Breeding and Genetics
Vegetable Varieties for Oregon Growers	11/12/2005	Small Farm School, Clackamas Community College, Oregon City, OR	Presentation - "Vegetable Varieties for Oregon Growers"	35	OSU, Small Farm School
2006					
Organic Seed Growers Conference, Organic Seed Alliance	1/11/2006	Troutdale, OR	Presentation - "Organic Seed Partnership: Breeding for and in Organically Managed Systems" - link to proceedings http://www.seedalliance.org/index.php?page=2006_Conference_Proceedings		Cornell University Dept of Plant Breeding and Genetics, NOFA-NY
Organic Seed Partnership Annual Meeting	1/13/2006	Edgefield, OR	Annual review and planning meeting for Organic Seed Partnership co-PI's	17	All OSP co-PI's - Alcorn State, Cornell, NOFA-NY, NMSU, OSU, UC Davis, WVSU
Organic Seed Partnership Growers' Breeding Workshop, NOFA-NY annual winter conference	1/27/2006	Syracuse, NY	Crop improvement workshop for farmers and gardeners: breeding techniques for lettuce, tomato, peppers, cucurbits; accessing germplasm through GRIN; presentation on the PGRU tomatillo collection	75	NOFA-NY, Cornell University Dept of Plant Breeding and Genetics, PGRU
Mississippi Academy of Sciences	2/22/2006	Vicksburg, MS	Poster - "Evaluation of Different Types of Mulches for Organic Production of Cucumber" Link to abstract - http://www.msstate.edu/org/MAS/jan06journal/mas06.pdf	unkown	Alcorn State University
ARD Research Symposium	4/1-4/5/2006	Atlanta, GA	Presentation - "Yield Response of Cucumber Varieties to Different Mulches in Organic Systems"	unkown	Alcorn State University
SANTEE Farm and Gardens	Summer and Fall 2006	Wheeling, WV	Tours through OSP trials	>5,000	WVSU, SANTEE Farm and Gardens
Freeville Organic Farm Field Day	8/1/2006	Freeville, NY	Tour of organic vegetable variety trails and research plots		Cornell University Dept of Plant Breeding and Genetics
NOFA Summer Conference	8/11-12/2006	Amherst, MA	Workshop presentation: "Breeding better varieties for NE organic farms"; seed cleaning demonstration	20 workshop , 300 demo	PGRU, NOFA-NY, Cornell University Dept of Plant Breeding and Genetics
Vegetable Seed-Saving/Breeding workshop	8/22/2006	Flanders Bay Farm, Flanders, NY	Workshop on breeding and seed-saving techniques	32	NOFA-NY, Cornell University Dept of Plant Breeding and Genetics
Vegetable Breeding Institute Field Days	8/28/2006	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable breeding trials for seed company representatives	50	Cornell University Dept of Plant Breeding and Genetics
OSP Vegetable Variety Workshop	8/30/2006	Rehobeth Homestead, Peru, NY	Tour of OSP tomato, summer squash, and pepper varieties; presentation on seed borne diseases; seed cleaning demonstration	15	NOFA-NY, PGRU, High Mowing Seed

Name of Event	Date	Location	Program	No. Participants	Collaborators
OSP Vegetable Variety Workshop	9/5/2006	Norwich Meadows Farm, Norwich, NY	Evaluation of onion, melon, pepper, and tomato varieties; potato tasting; seed cleaning demonstration	31	NOFA-NY, Cornell University Dept of Plant Breeding and Genetics, PGRU,
OSP Vegetable Variety Workshop	9/16/2006	Peacework Farm, Newark, NY	Tour of OSP lettuce trial and experimental pepper planting; seed cleaning demonstration	32	NOFA-NY, PGRU, Cornell University Dept of Plant Breeding and Genetics
Common Ground Country Fair	9/22-23/2006	Unity, ME	Seed cleaning demonstration	2,000	PGRU
Moon in the Pond Farm Community Seed Day and Farm Tour	10/11/2006	Moon in the Pond Farm, Sheffield, MA	Seed cleaning demonstration; presentation on the OSP	7 workshop, 21 cleaned	PGRU, NOFA-NY
OSP Vegetable Variety Workshop	10/21/2006	Poughkeepsie Farm Project, Poughkeepsie, NY	Winter squash variety evaluation and tasting; seed saving and seed cleaning demonstrations	27	NOFA-NY, PGRU, Cornell University Dept of Plant Breeding and Genetics
Gorzynski's Farm Community Seed Day	10/2006 - 1/2007	Gorzynski's Ormery Farm, Cochection Center, NY	Dropped off seed cleaning equipment for use by growers.	drop-off	PGRU
2007					
Organic Seed Saving & Plant Breeding Workshop	1/23/2007	Central MS Research and Extension Center, Raymond, MS	On-farm breeding and seed production workshop, hands-on pollination techniques	60	Alcorn State University, MS State University, Cornell University Dept of Plant Breeding and Genetics
Southern Sustainable Agricultural Working Group	1/26 - 1/28/07	Louisville, KY	OSP booth - information trialing breeding, seed production and saving was distributed to the conference participants in the form of videos, brochures and CD's.	140 signed up for more information / 500 visited the display	PGRU, Cornell University Dept of Plant Breeding and Genetics, Alcorn State University
NOFA-NY Winter Conference	1/26-28/2007	Syracuse, NY	"Super Vegetable Variety" workshop and potato variety display	600 conference, 60 workshop	NOFA-NY, Cornell University Dept of Plant Breeding and Genetics, FEDCO Seeds, Harris Seeds
Pennsylvania Association for Sustainable Agriculture (PASA)	2/1-3/2007	State College, PA	Distributed OSP brochures and information to conference attendees	1,700 conference	Cornell University Dept of Plant Breeding and Genetics
NM Organic Farming Conference	2/16-17/2007	Albuquerque, NM	Presentation - "Breeding and Selection for Organic Systems"	300 conference, 50 presentation	Cornell University Dept of Plant Breeding and Genetics
MOSES (Midwest Organic Farming Conference)	2/22-24/2007	La Crosse, WI	Poster presentation "On-Farm Creation of Improved Vegetable Varieties", breeding workshop	2,300 conference, 60 workshop	Cornell University Dept of Plant Breeding and Genetics, NOFA-NY, OSA
UC Davis Student Farm Field Evening	2/2007	UC Davis Student Farm, Davis, CA	Pepper, cucumber, winter squash and broccoli variety trial presentation	5	UC Davis
Moon in the Pond Farm Lecture- Trials, Plant Breeding and Seed Production	3/28/2007	Moon in the Pond Farm, Sheffield, MA	Seed saving presentation	10	PGRU, NOFA-NY
SANTEE Farm and Gardens	Summer and Fall 2007	Wheeling, WV	Tours through OSP trials	>5,000	WVSU, SANTEE Farm and Gardens
2nd National Conference on Facilitating Sustainable Agriculture Education	7/11-14/2007	Ithaca, NY	OSP poster, information on the project was distributed to the conference participants.	300 conference	Cornell University Dept of Plant Breeding and Genetics

Name of Event	Date	Location	Program	No. Participants	Collaborators
OSP Vegetable Variety Selection Workshop	7/23/2007	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Hands-on instruction in selection techniques in variable broccoli and cucurbit populations; seed-saving and seed-cleaning demonstration.	33	Cornell Dept of Plant Breeding and Genetics, NOFA-NY, PGRU
OSP Vegetable Variety Selection Workshop	7/24/2007	Flanders Bay Farm, Flanders, NY	Hands-on instruction in selection and breeding techniques in variable cucurbit populations; garden tour.	26	NOFA-NY, OSU, Cornell Dept of Plant Breeding and Genetics
Organic Seed Partnership Annual Meeting	7/26/2007	Cornell University, Ithaca, NY	Annual review and planning meeting for Organic Seed Partnership co-PI's	18	All OSP co-PI's - Alcorn State, Cornell, NOFA-NY, NMSU, OSU, WVSU
Master Gardener' Minicollege	8/2/2007	Corvallis, OR	Presentation - "Breeding Vegetables for Oregon"	50	OSU, Master Gardener's Minicollege
Master Gardener's Field Tour	8/4/07	Lewis Brown Farm, Corvallis, OR	Field tour of research plots.	40	OSU, Master Gardener's
Vegetable Variety Workshop	8/5/2007	Stone Barns Center Farm, Pocantico Hills, NY	Evaluation of onion varieties; tour of 3-sisters demo with heirloom corn and OSP squash varieties; seed-cleaning demonstration	27	Stone Barns Center for Food and Agriculture, NOFA-NY, PGRU
OSP Vegetable Variety Selection Workshop	8/21/2007	Highmoor Farm, Monmouth, ME (Univ. of Maine)	Hands-on instruction in selection and breeding techniques in variable cucurbit populations; farm tour; tasting OSP experimental tomatoes; seed-cleaning demonstration.	28	Univ. of Maine Extension, NOFA-NY, PGRU, Cornell Dept. of Plant Breeding and Genetics, Maine Organic Farmers and Gardeners Association
Vegetable Breeding Institute Field Days	8/27/2007	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable breeding trials for seed company representatives	50	Cornell University Dept of Plant Breeding and Genetics
Vegetable Variety Workshop	8/28/2007	Clearview Farm, Palmyra, NY	Evaluation of OSP eggplant, tomato, pepper, cucumber, and melon varieties; tomato tasting; farm tour including plant disease identification; seed cleaning demonstration	25	NOFA-NY, Cornell Cooperative Extension, PGRU, Cornell Dept. of Plant Breeding and Genetics
WV State Fair	8/10-8/18/2007	Lewisburg, WV	Information on the OSP project was distributed to the public	210,000 fair	WVSU
Vegetable Breeding Institute Field Days	8/27/2007	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable breeding trials for seed company representatives	54	Cornell University Dept of Plant Breeding and Genetics
Vegetable Variety Workshop	9/4/2007	Crimson Clover Farm, Bainbridge, NY	Evaluation and tasting OSP potato, tomato, and melon varieties; assessing onion varieties and pepper trial. Garden tour, including cover crop demonstration; seed-cleaning demonstration	29	NOFA-NY, Cornell Dept. of Plant Breeding and Genetics, PGRU
Alcorn State Univeristy Field Days	9/13/2007	Alcorn State Univeristy, Alcorn State, MS	"Organic Agriculture Empowering People to Earn" seed saving and variety selection and cultural practices, seed distribution	95	Alcorn State University
Station Open House	9/15/2007	NYSAES, Geneva, NY	Demonstrations	>6,000	PGRU

Name of Event	Date	Location	Program	No. Participants	Collaborators
Common Ground Country Fair	9/21-23, 2007	Unity, ME		400 names on list	PGRU
Organic Field Day	10/7-10/8, 2007	Crystal Springs, MS	Tours of organic bell pepper and cucumber trials for growers. Provided information on organic cultural practices, saving seeds and the process of organic certification.	375	Alcorn State University, MS State University
OSP Stone Barns Farm Short Seed Demo	10/11/2007	Stone Barns Center Farm, Pocantico Hills, NY		n/a	PGRU
Organic Broccoli Field Day	10/2007	Gathering Together Farm, Philomath, OR	Field tour of organic broccoli variety trials (including OSU OP population)	25	OSU, Gathering Together Farm
3rd Educational Farm Symposium	11/9/2007	Shelbourne, VT	Presentation - "Keeping the Seeds in Your Hands", seed production and saving lecture and demonstration	175 attended symposium, 15 workshop	PGRU
2008					
Ecofarm	1/26/2008	Pacific Grove, CA	Presentation - "Breeding and Selection for Organic Systems"	unknown	Cornell University Dept of Plant Breeding and Genetics
Deep South Fruit and Vegetable Growers Conference and Trade Show	1/5-1/6/2008	Mobile, AL	Poster - "Different Mulching Effects on Organic Production of Bell Pepper"	unknown	Alcorn State University
Organic Broccoli Field Day	7/8/2008	Gathering Together Farm, Philomath, OR	Field tour of organic broccoli variety trials (including OSU OP population)	15	OSU, Gathering Together Farm, Seeds of Change, ECO-PB
Lewis Brown/Clonal Repository Farm Tour	7/26/2008	Lewis Brown Farm, Corvallis, OR	Tour of organic and conventional vegetable breeding research plots	900	OSU, USDA-ARS Clonal Repository
OSP West Virginia State University Plant Breeding and Seed Production Workshop	7/30/2008	WVSU, Institute, WV	Presentation - "Breeding and Selection for Organic Systems", on-farm breeding and seed production workshop, hands-on pollination techniques for pepper, tomato, tomatillo, squash, melon, watermelon and cucumber.	15	WVSU, PGRU, Cornell Dept of Plant Breeding and Genetics
Alcorn State University Organic Field Days	8/16/2008	Alcorn State University, Alcorn State, MS	Trained local farmers on organic agriculture, seed saving and important cultivar practices of organic agriculture. Distributed the organic seeds to farmers.	37	Alcorn State University
Freeville Organic Farm Field Day	8/18/2008	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable variety trails and research plots	41	Cornell University Horticulture, Crop and Soil Science and Plant Breeding and Genetics Depts
Vegetable Breeding Institute Field Days	8/25/2008	Freeville Organic Research Farm, Freeville, NY (Cornell University)	Tour of organic vegetable breeding trials for seed company representatives	50	Cornell University Dept of Plant Breeding and Genetics
Organic Field Day	8/27/2008	Crystal Springs, MS	Provided information on organic cultural practices, saving seeds and the process of organic certification.	490	Alcorn State University, MS State University
